YOUR STORY

The questions below provide an opportunity to tell the story of how you, as an employer, made a commitment to the health of your workforce during 2008. Please provide your responses on this application form or a separate sheet of paper.

Response Required for Bronze, Silver, and Gold Designation

How did your organization provide 'support' for changes to the work environment or culture in 2008 that impacted or have the potential to impact healthy eating and physical activity among your employees?

Response required to one of the following for Silver Designation, or both for Gold Designation Please include a brief description of the results anticipated or achieved due to your efforts.

What specific changes were made to the work environment or culture in 2008, that made 'healthier food' choices available or more accessible to employees?

What specific changes were made to the work environment or culture in 2008, that made engaging in 'physical activity' during work hours an option or easier choice for employees?

Happy Heart Achievement Recognition Awards - Optional

Are there other policies, programs or activities, undertaken by your organization in 2008, to support employee health and fitness that could be considered when our committee selects 2008 Happy Heart Achievement Awards?
